Dear Ms. Tamae Ikeuchi:

UL has completed the investigation under the above project and confirmed compliance of your product(s) with UL requirements. We appreciate that you have a choice of certification providers and thank you for choosing UL.

This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL and ULC Marks at the factory location(s) identified on the Authorization Page of UL File E121961, Volume 1. You are required to send a copy of this letter to all manufacturing locations authorized under UL File E121961, Volume 1.

The Follow-Up Services Procedure covering your product(s) will typically be provided by UL within 10 business days. Any information and documentation provided to you involving the UL and ULC Mark services are provided on behalf of UL LLC (UL) and Underwriters Laboratories of Canada Inc. (ULC) or any authorized licensee of UL and ULC.

Products that bear the UL and ULC Marks must be identical to those submitted to UL for evaluation and certification and must comply with the Follow-Up Services Procedure covering your product(s). Additional requirements related to the responsibilities of the Applicant and Manufacturer can be found under **Additional Resources** at <https://www.ul.com/fus>.

A UL certification is a valuable marketing tool meaning your product or company has successfully met stringent requirements. We encourage you to use your UL and ULC Marks and certification in your marketing activities. You can find information on how to accurately promote your UL certification at <https://www.ul.com/marketing>.
